<p>Our hearts where they rocked our cradle,            Our love where we spent our toil,            And our faith, and our hope, and our honor,            We pledge to our native soil.            God gave all men all earth to love,            But since our hearts are small,            Ordained for each one spot should prove            Beloved over all. ~Rudyard Kipling</p>
